

Office of the Town Clerk  
December 31, 2010

Anyone paying close attention to my report will find it different from past years. Revenue from motor vehicle registrations appears to be up from last year; however, this is misleading. For the last fifteen or so years, the municipal agent fee, equaling \$2.00 per registration per RSA 261:74.d has been reported separately from the motor vehicle registration total. With the advent of the new style registration, this fee is included in the town permit fee amount; therefore, beginning in January, we are reporting it in the motor vehicle registration amount. If the municipal agent fee, based on the number of registrations (3,170) completed this year, is subtracted from the motor vehicle registration total, revenue from registrations is actually down approximately \$5,000 from last year. This is not unexpected due to the economy.

Revenue from dog licenses and boat registrations increased somewhat, with an overall decrease in revenue from this office of approximately \$3,200.00, the following is a breakdown of the revenues turned over to the Treasurer during 2010:

Motor Vehicle Registrations	347,940.33
Dog Licenses (521)	3,368.50
State Vital Records Fees	5,605.00
Abstract Record, Unincorporated	
Township & UCC fees	5,633.40
Boat Registrations	1,194.04
Bad Check Collection Fees	<u>25.00</u>
TOTAL Turned Over to Treasurer	\$363,766.27*

\*Of the total turned over to the treasurer, \$1,066 is paid to the Department of Agriculture for animal control per RSA 466:4. The full amount of \$5,605 collected for State Vital Records fees is also remitted to the New Hampshire Department of State.

Respectfully submitted,  
Sheila M. Beauchemin
